About the programme

The purpose of the QQI level 5 Special Needs Assisting course is to equip you with the knowledge, skill and competence in the practices and principles underpinning the role of a Special Needs Assistant to enable you to work effectively under direction in a special needs assisting capacity.

How does the online course work

Once enrolled, you will receive an email containing your log in details for your online learning platform to start your course. Before your modules are released, you will be set up on a Microsoft Chevron College student email address. No exams are required as all your course work will be continuous assessment. Each week you will be provided with course content to study in your own time and pace. Deadlines will be in place to submit your assignments. 2 scheduled virtual online evening webinars will be required to attend for each module throughout your course. Webinars are also recorded if you cannot attend.

Student Support

- Comprehensive support from our full time in-house tutors through email, scheduled phone calls, webinars and a discussion forum
- Additional supports available to learners include:
- 1-to-1 monitoring of learner engagement & progress
- Peer-to-peer support through the online discussion forum
- Pastoral care & CV guidance
- Specific support for learners (via reasonable accommodations)

Career Opportunities

Work as a Special Needs Assistant or in a similar role in Primary or Secondary education levels. There are also opportunities to progress to Further and Higher Education
