About the programme

The purpose of our QQI Level 5 Care Skills & Care of the Older Person modules is to equip you with the skills, knowledge and competence required to pursue roles as Healthcare Assistants specializing in elderly care within the community and in Homecare Services. Furthermore, completion of the two modules can contribute towards achieving a QQI Level 5 major award in Healthcare Support.

Entry Requirements

No particular skills, knowledge or competence will be required of you for successful completion of this course, however you will be expected to have a minimum of Level 4 Certificate standard of education or equivalent together with a strong interest in the provision of quality care. It is essential that you have competence in written and spoken English, along with computer literacy skills.

Student Support

- Comprehensive support from our full time in-house tutors through email, scheduled phone calls, webinars and a discussion forum
- Additional supports available to learners include:
 - Peer-to-peer support through the online discussion forum
 - Pastoral care & CV guidance
 - Specific support for learners (via reasonable accommodations)

Career Opportunities

After successfully completing these modules, you will be qualified to work as a healthcare assistant, carer and care worker in an HSE registered healthcare setting with some home care agencies. You will also be qualified to progress to further education.
