About the programme

Once enrolled, you'll receive an email with your joining instructions outlining the steps to start your course. You'll be set up with a Chevron College student email and must complete a Learner Verification module to get familiar with our Moodle platform. All course materials, including notes, assignments, Garda vetting, and insurance documents, are available online. Weekly content will be provided for you to study at your own pace. Assignment deadlines and scheduled virtual webinars (also recorded) will be part of the course.

Entry Requirements

No particular skills, knowledge or competence will be required of you for successful completion of this course, however you will be expected to have a minimum of Level 4 Certificate standard of education or equivalent together with a strong interest in the provision of quality care. It is essential that you have competence in written and spoken English, along with computer literacy skills.

Student Support

- Comprehensive support from our full time in-house tutors through email, phone, webinars and a discussion forum
- Additional supports available to learners include:
  - Peer-to-peer support through the online discussion forum
  - Pastoral care & CV guidance
  - Specific support for learners (via reasonable accommodations)

Career Opportunities

After successfully completing this course, you will be qualified to work as a healthcare assistant, carer and care worker in an HSE registered healthcare setting. You will also be qualified to progress to further education.
